What should you wear when you are baptized? Women should wear shorts and a top which will preserve modesty. Men may wear a swimsuit and t-shirt. Bring a change of clothes, a towel, any toiletries you need after getting dunked, and a plastic bag for your wet articles of clothing. We provide a changing area. Please dry your hair in the men's or women's bathroom downstairs, not upstairs.

Do I have to say anything? There will be an opportunity to express affection and appreciation towards God, as well as the change in your life since you began walking with Christ. This is not required, but it is a good opportunity to express your thoughts and feelings if your family and friends are present. Do you think you would like to share? **Yes** **No**

If you have any concerns regarding the procedure of baptism, or have back problems, fear of water, or other questions, *please* feel free to contact Keith and discuss these concerns with him.
